

Privacy & Return policy

www.padavici.info has created this privacy policy because we respect our customers and want to make sure that personal information is handled responsibly.

We collect:

- * Your mobile phone number, if you pay via SMS message
- * Your mobile phone number and email address, if you pay via moneybookers.com
- * Your email address if you try to contact us

www.padavici.info will not disclose your personal information:

- * will not provide or sell your personal information to third party
- * will not call your phone number without your written request

If in some case you didn't receive our SMS betting tips and you can prove that or our log files indicate that the message is not sent or received by the recipient, you will get the next one for free.
